## OUR WARRANTY PROMISE

At Pentland we hope that you never have an issue with any piece of refrigeration or catering equipment you purchase from us, however we know that it's not always that simple and a long standing warranty is a key part of a customers decision making process.

That's why in 2023 we began to offer higher levels of warranty cover than ever before. We expanded the **3 year warranty cover** previously applied to our Blizzard range of storage refrigeration to now fully encompass all Blizzard refrigerated units to give you peace of mind when making your next purchase from us.

In tandem with this decision we also increased the KoldBox **standard warranty to 2 years** across the entire range to re-enforce the confidence we have in this budget beating brand.

As always you will be able to choose at purchase as to whether you want full parts & labour warranty or parts only warranty, please note as standard our pricing structure offers full parts & labour warranty.

## BAR EQUIPMENT

Mini Bars | Under Counter Bottle Coolers | Upright Bottle Coolers  
Beer Dumps | Wine Coolers | Ice Machines

Whether a hotel room mini bar or full-scale pub fit-out, we have all the bar equipment you could possibly need. Chill your drinks in one of our back bar coolers before they're poured onto ice made in one of our ice makers. We only stock the very best bar equipment to ensure ultimate product satisfaction.

BMB30

MATTE BLACK SOLID DOOR MINI BAR

Description

If you're looking for the perfect low profile, high storage mini bar - look no further! With it's sleek matte black finish, easy clean white ABS interior and silent operation, this mini bar is the perfect fit for any hotel room or back bar set up.

Maximising usable storage with the addition of shelving to the reversible door as well as internal lighting from above you can ensure your product is easy to view when it's not locked away behind the included door lock, which is fitted as standard on all units.

GLOSS BLACK GLASS  
DOOR MINI BAR

Description

There's only one way to make a high storage silent mini bar better and that's to give it a glass door! Showcasing your product in full view the double-glazed glass door BMB range allows the user to see directly into the fridge without compromising on storage space and maintaining the fantastic features in its solid door counterpart.

With an optional modification to allow the LED lighting to be on continuously you can make your mini bar stand out in any space no matter how small.

## STAINLESS STEEL INTEGRAL CRUSHED ICE MACHINE

### Description

There's no better pairing than crushed ice and cocktails and that's why the Simag SMI80 is the perfect addition to any budding cocktail wizards tools of the trade. With a residual water content of just 8% you can ensure your crushed ice sticks around and outlasts most cubed and bullet ice.

Due to the fact the unit produces crushed ice from standard there's no need for noisy separate ice crushers to further add cost and complexity to your space.

### Features

- Unique crushed ice producing machine
- 25kg of crushed ice on hand
- High grade 441 stainless steel exterior
- Food safe plastic interior with silver and antibacterial interior
- Crushed ice is very dry with only 8 percent water
- Perfect for cocktails and display
- Air cooled (Water cooled available - POA)

## PREMIUM SOLID DOOR UPRIGHT REFRIGERATION

### Description

Featuring high grade AISI 304 stainless steel exterior and interior the Inomak premium range is perfect for fresh meat storage and looks the part too! Available in both full and slim line depths along with a choice of custom RAL colours. Please note custom RAL colours are made to order therefore come with longer lead times.

All models come with self closing doors, replaceable door gasket, lock, 4 shelves per door and heavy duty castors as standard. The epoxy coated evaporator and low maintenance condenser allow for minimal maintenance work.

### Features

- High grade AISI 304 stainless steel exterior & interior
- 4 x GN2/1 shelves per door
- Self closing door
- Replaceable door gasket
- Reversible door
- Lock as standard
- Heavy duty castors as standard (SL Single doors separately)
- Epoxy coated evaporator to resist corrosion

NEW UPRIGHT GLASS DOOR  
DRY AGE CABINET

Description

Brand new for 2024 the Inomak DRYB172 is the perfect addition to any butchers, farm shop, restaurant or cafe looking to provide high quality meats to its customers in a gorgeously presented package.

With its quality build as per Inomaks excellent standards this meat ager resembles somewhat more of a piece of exquisite furniture than that of a commercial fridge but thanks to its highly adjustable humidity controls, triple glazed glass and soft air flow technology will never fall short of the technical requirements of its users!

COMPACT GASTRONORM COUNTERS WITH DOORS OR DRAWERS

Description

The exterior and interior are made out of high grade AISI 304 stainless steel, which is ideal for any food related applications due to its high durability against oxidising acids, making the surfaces easy to sanitise. To aid cleaning, the internal corners are rounded and the door gasket and condenser filter are removable.

The Blizzard compact storage counters can either include doors or drawers depending on your preference. All units come with adjustable feet plus the option for castors.

## UPRIGHT HINGED GLASS DOOR DISPLAY FREEZER

### Description

The perfect solution for a freezer display, the ICEN40 includes 6 fixed shelves as standard and coupled with its full frontal glass door allows the customer to see all contents from top to bottom, only made easier by the included internal LED lighting.

With a white finish, hints of blue detail and an interior made from anti-bacterial ABS, keeping the unit clean and presentable is as easy as a quick wipe over.

### Features

- White laminated exterior
- ABS interior with antibacterial treatment
- 5 adjustable shelves
- Internal illumination
- Temperature display
- Reversible door
- Replaceable door gaskets
- Adjustable front feet

Description

The flat glass sibling of the DC range the DF flat glass mobile display offers all the benefits of its curved faced sibling but with a clean cut straight edge design. By utilising the flat glass top, extra display space is made available to the user.

The DF range is the perfect fit for any clad/build in solution offering a premium and visually appealing finish for a lower end budget compared to some higher end customer solutions while still maintaining manoeuvrability.

BFG130WH

FLAT GLASS REFRIGERATED  
SERVE OVER COUNTER

Description

Clean straight lines and flat colour combined with glass is what makes the BFG such a visually appealing unit. It's laminated steel exterior, ABS side panels flat glass canopy and sliding rear perspex door finish off the unit with complete style.

That's just the beginning thanks to its large under unit storage, castor feet, automatic vaporisation of condensate and integrated LED lighting the BFG is quickly shaping up to be one of Blizzards best selling units.

## COUNTER TOP GASTRONORM BAIN MARIE WITH SNEEZE GUARD

### Description

Allowing access from both sides of the counter top unit the MEV and MSV bain maries come fitted with a glass sneeze guard to allow for easy self service while still maintaining some health and safety measures whether that be single or double.

Built from high grade AISI 304 stainless steel the wet well accepts gastronorm containers up to 150mm deep (not included) with integrated digital controller and drainage tap to the front of the unit for easy access.

### Features

- High grade AISI 304 stainless steel exterior & interior
- Open bain marie with single or double sneeze guard
- Accepts GN1/1 up to 150mm deep
- Digital controller with temperature display
- 130W halogen lamps on canopy variations
- Integrated drainage tap

## FREE-STANDING STAINLESS STEEL HEATED CUPBOARDS

### Description

Pre-heating plates or keeping warm meals ready for service is key in any kitchen or service sector and the Inomak HCP heated cupboard is the perfect candidate for this.

Built with high grade AISI 304 stainless steel, double skinned insulated sliding doors to improve efficiency, adjustable legs, one fixed perforated shelf and fan assisted heating which all contribute to create a well rounded and effective heated cupboard. Use the RE, RD & XWH gantries and heated lamps in conjunction with this product.

### Features

- High grade AISI 304 stainless steel exterior & interior
- Double wall insulated doors
- Fan assisted heating
- Adjustable legs as standard
- 1 Fixed perforated shelf
- Digital controller & display

## **WAREWASHING**

Under Counter | Passthrough

Our range of warewashing products are built to last with consideration for every eventuality whether a small compact space or large open washing station you're sure to find the equipment perfect for your needs.

STORM40

# STORM THERMO-STOP GLASSWASHER

## Description

The king of simplicity brought to you by Blizzards very own Storm range couldn't be any better value for money if it tried. With outstanding features such as a double skinned door for quieter running, automatic detergent and rinse aid dosing and of course the 2 glass baskets supplied as standard you would be hard done by to find a better glass washing solution on the market.

## Features

- High grade 304 stainless steel construction
- Pressed tank and rounded corners to aid cleaning of machine
- Double skin door for quieter running and improved efficiency
- Rotating wash and rinse arms removable for cleaning
- Automatic detergent and rinse aid dosing
- 3 cycles - 90/120/180 seconds
- Thermo-stop ensures a hot rinse temperature on every cycle
- Adjustable wash and rinse thermostats
- Available with or without drain pump (DP)
