

PREMIUM UPRIGHT GLASS DOOR REFRIGERATION

Description

The glass door upright range from Inomak is the perfect addition to any professional kitchen. All models are equipped with triple glazed door(s) and the anti-fog film on the freezer units makes condensation a problem of the past.

Features such as self closing door(s), heavy duty castors, door locks, 4 shelves per door supplied as standard and so much more top off this unit to be by far one of the most premium high standard refrigeration units on the market.

Features

High grade AISI 304 stainless steel exterior & interior

4 x GN2/1 shelves per door

Shelf with denser wires

Internal LED lighting

Triple glazed door

Lock as standard

Heavy duty castors as standard

Replaceable door gasket
