

mondial

UPRIGHT HINGED GLASS DOOR DISPLAY FREEZER

Description

The perfect solution for a freezer display, the ICEN40 includes 6 fixed shelves as standard and coupled with its full frontal glass door allows the customer to see all contents from top to bottom, only made easier by the included internal LED lighting.

With a white finish, hints of blue detail and an interior made from anti-bacterial ABS, keeping the unit clean and presentable is as easy as a quick wipe over.

Features

- White laminated exterior
- ABS interior with antibacterial treatment
- 5 adjustable shelves
- Internal illumination
- Temperature display
- Reversible door
- Replaceable door gaskets
- Adjustable front feet
