

PREMIUM LOW HEIGHT SNACK COUNTERS WITH DRAWERS

Description

The PWN range of counters from Inomak comes at a low height of 620mm, specifically designed to serve as the base for cooking equipment. Castors provided as standard, replaceable door gaskets and an epoxy coated evaporator to resist corrosion, are all small additions to the unit but do make a huge difference to how the unit performs.

Easily maintain and control internal temperatures of the drawers within the unit thanks to its easy to use digital controller and display.

Features

High grade AISI 304 stainless steel exterior & interior, including back

Drawers accept GN1/1 trays

Castors as standard

Replaceable gaskets

Epoxy coated evaporator to resist corrosion
