

AN1002BT

UPRIGHT SOLID & GLASS DOOR REFRIGERATION

The reach-in refrigerators feature high grade AISI 304 stainless steel exterior and interior that offers a modern and practical design, which can be further enhanced with an addition of a glass door component. The rounded internal corners make clean up easy, allowing for safe fresh meat storage on all solid door units.

LED lighting, adjustable legs and a digital controller with temperature display are only some of the features that make this range worth the investment.

MODEL	DOORS	SHELVES	GROSS CAPACITY	REFRIGERANT	TEMPERATURE RANGE	DIMENSIONS (mm)	ENERGY RATING	POWER USAGE	KWH/ ANNUM	POWER	WEIGHT (kg)
