Featuring high grade AISI 304 stainless steel exterior and interior the Inomak premium range is perfect for fresh meat storage and looks the part too! Available in both full and slim line depths along with a choice of custom RAL colours. Please note custom RAL colours are made to order therefore come with longer lead times.

All models come with self closing doors, replaceable door gasket, lock, 4 shelves per door and heavy duty castors as standard. The epoxy coated evaporator and low maintenance condenser allow for minimal maintenance work.
