## PREMIUM UPRIGHT GLASS DOOR REFRIGERATION

The glass door upright range from Inomak is the perfect addition to any professional kitchen. All models are equipped with triple glazed door(s) and the anti-fog film on the freezer units makes condensation a problem of the past.

Features such as self closing door(s), heavy duty castors, door locks, 4 shelves per door supplied as standard and so much more top off this unit to be by far one of the most premium high standard refrigeration units on the market.
